

OCCUPATIONAL THERAPY @ PHYSIO PLUS!

Physio Plus is pleased to announce the expansion of our service to include Paediatric Occupational Therapy. We aim to provide experienced, professional and prompt appointments, servicing the Northern Rivers Region.

Jessica Doyle OT, has recently joined our team of experienced professionals.

Jessica has worked as an Occupational Therapist since graduating from Newcastle University in 2001. She has worked in Brisbane, Port Macquarie, Ireland and England before returning home to the Ballina area in 2006. Since coming back to the area she has gained extensive experience working in local paediatric services. Jessica is very passionate about working with children and families and has a particular interest in the areas of handwriting and hand function, equipment prescription and developing play skills in young children. In her spare time Jessica can

be found at local parks and beaches spending time with her young family.

OT SERVICES PROVIDED:

Physio Plus Occupational Therapy services provide assessment and therapy targeting the following performance areas of child development:

- Handwriting assessments and training
- Fine motor skill development
- Visual perception skill development
- Motor Planning and Coordination
- Self care skill development
- Play and Developmental milestones development

Other services provided include:

- Preschool and school screenings
- Working with children and their families who have disabilities and complex needs
- Equipment prescription and training

We will be offering these OT services in both our Lismore and Ballina locations.

For more information regarding the OT services offered, please contact our reception at 1800 662125 or Jessica Doyle at occupationaltherapy@physioplus.info
